

It Is Time For Popcorn Thursday!

50¢ a bag

New Searles PTO is proud to continue this treat for the 2017/2018 school year! One Thursday per month, your child can enjoy a bag of popcorn during snack time for just 50 cents per bag with all proceeds benefiting New Searles PTO. The popcorn will be delivered to his/her classroom. Each child is limited to two bags per Thursday.

Pay ahead option!

Kids bringing money to school by the popcorn deadline may be easier said than done so we are offering a pay ahead option. If you would like to pay for **all 10** popcorn days simply return the "Pay Ahead" form below before **September 15**. This will put your child on the "Pre-Paid" list maintained by PTO and ensure delivery for the entire school year! We do not have the volunteer time to take kids on and off the pre-paid list; it becomes a book keeping problem for the popcorn volunteers and teachers.

If you would prefer to pay for individual Popcorn Thursday dates you may submit the "Individual Payment" form by the first Thursday of each month. We also cannot accept payment the day of the popcorn event as volunteers will be preparing the bags the prior evening and will only prepare for those students who have paid in full.

Mark Your Calendars!

We realize everyone is busy so mark your calendar ahead of time. The popcorn days will be the following THURSDAYS:

September 21
February 22

October 19
March 22

November 16
April 19

December 21
May 17

January 18
June 07

If you have any questions, please contact Camella Newton at camella.newton@outlook.com.
